

# THE PAST, PRESENT, AND FUTURE OF THE LOS ANGELES RIVER

REGISTER NOW FOR A  
TWO-PART LEARNING  
EXPERIENCE

**PART 1: RIPARIAN AND OTHER VISIONS:  
A VIRTUAL LEARNING EXPERIENCE**  
THURSDAY, MARCH 3, 2022  
7:00PM – 8:15PM

**PART 2: IN-PERSON NATURE HIKE: LOS  
ANGELES RIVER EXPLORATION**  
SATURDAY, MARCH 5, 2022  
9:00AM – 12:00PM

## PART 1: RIPARIAN AND OTHER VISIONS: A VIRTUAL LEARNING EXPERIENCE

Join USC history professor Bill Deverell for a seminar-style discussion on the long history of the Los Angeles River and its possible rebirth as a site of environmental redemption. From its diminished environmental importance in the 20th century, to its resurgence of environmental importance in recent decades, the river has once again entered conversations about environmental sustainability, water conservation and more.

## PART 2: IN-PERSON NATURE HIKE: LOS ANGELES RIVER EXPLORATION

*Location: Rattlesnake Park at Ripple St. and Fletcher Drive in Frogtown*

Join USC history professor Bill Deverell and Sequoyah High School Biology teacher Kate Schafer for a morning of exploration at the Los Angeles River. Bill will follow up on his lecture and there will also be the opportunity to learn about and do some nature journaling.

Cost: \$10 for members, \$20 for nonmembers

Registration includes CASE journal notebook. Bring additional materials for journaling.
