

2024-25 CALIFORNIA CLASSROOM SCIENCE MEDIA KIT

ADVERTISING RATES, SPECS AND DEADLINES

Newsletter and Email Statistics:

CCS receives good traffic, with more than 3,000 visitors per month. While they are there, visitors take their time on the site, the average time spent on the front page of one minute, and interior pages averaging 3–6 minutes. Our monthly email announcing the new issues has a view rate of 20% and a click through rate of 15–20%.

California Classroom Science (CCS) is the electronic newsletter of the California Association of Science Educators (CASE). CASE represents science at all grade levels TK-16 from across California and is the premier organization in California providing leadership and support for the advancement of science teaching and education.

California Classroom Science (CCS) is published quarterly on or around the 15th of the month. Its content includes a regular column on NGSS, regional news and events, legislative updates, information about opportunities for science teachers, lesson ideas, classroom management tips, technology tips, photos, and more.

California Classroom Science (CCS) email announcement is sent to more than 15,000 science educators upon publication of each issue; this includes classroom teachers, informal science educators, teachers on special assignment, site, admin and district and county level leaders and more. Advertising in CCS electronic emails is an incredible opportunity to reach science teachers from across California.
