## RATCHETDEMIC: REIMAGINING ACADEMIC SUCCESS

By Dr. Christopher Emdin

Join CASE as we dive into Dr. Christopher Emdin's book, *Ratchetdemic: Reimagining Academic Success*. This is your chance to explore how identity, lived experiences, and holistic approaches can redefine academic success. Together, we'll discuss how to interrupt harmful systems, foster healing, and create spaces where students' minds, bodies, and spirits thrive. Don't miss this opportunity to reflect, grow, and transform your approach to education!

"To be ratchetdemic is to achieve a state of consciousness that allows one to operate in the world having mind, body, and spirit activated, validated, and whole..."

– Dr. Christopher Emdin
